Six mois après les attentats de Bruxelles: comment une erreur de la police a retardé de trois jours l'arrestation de Salah Abdeslam

Selon une source bien informée, en arrivant au 60 rue du Dries, les policiers se seraient trompés d'appartement. Les trois terroristes, planqués à l'étage inférieur, auraient ainsi été avertis de leur présence.

BeSt Address : Why ?

Data exist but

- Scattered (RN, BCE, BCSS, IGN, UrbIS, CRAB, …)
- Sometimes inconsistent (spelling)
- Not managed as such
- Wrong use → mail delivery issues
- Incomplete
  - Missing/no sub-addresses
  - Not visible in the field

History

2004 : StrateGIS (AGDP) Fed + 3Regions

- Subgroup « BeSt Address » - lethargy
